

**MONTE NEVADO®**

## HAMSTAND

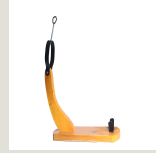

Others - REF: JAGONDOLA

## Technical sheet

### HAMSTAND

Product description

Ingredients:

#### Nutrition facts (per 100 g.)

Energetic value:

Fats:

Saturated fatty acids:

Carbohydrates:

Sugars:

Protein:

Salt:

#### Microbiological characteristics

Escherichia coli:

Staphylococcus aureus:

Salmonella - Shigella:

Sulphite-reducing clostridia:

Listeria monocytogenes:

Storage conditions: No special requirement

Used by:

Traceability system: Barcode of individual piece selection

EAN code: 8437009078174

#### Packaging information

Packaging:

#### Logistic information

Weight(g.)/unit: 1.450 g

Units per case: 1

Case dimensions (length, height, width): 42.00 x 7.00 x 18.00

#### Physical and Chemical Characteristics

Moisture SD: g

Moisture gradient:

Water Activity:

pH:
