

MONTE NEVADO®

HAMSTAND

Others - REF: JER

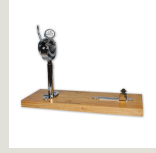

Technical sheet

HAMSTAND

Product description

Ingredients:

Nutrition facts (per 100 g.)

Energetic value:

Fats:

Saturated fatty acids:

Carbohydrates:

Sugars:

Protein:

Salt:

Microbiological characteristics

Escherichia coli:

Staphylococcus aureus:

Salmonella - Shigella:

Sulphite-reducing clostridia:

Lysteria monocytogenes:

Storage conditions: No special requirement

Used by:

Traceability system: Barcode of individual piece selection

EAN code: 000000000000

Packaging information

Packaging:

Logistic information

Weight(g.)/unit: 5.930 g

Units per case: 1

Case dimensions (length, heigth, width): 62.00 x 16.00 x 25.00

Physical and Chemical Characteristics

Moisture SD: g

Moisture gradient:

Water Activity:

pH:
